Dear colleagues,

As the Chairman of the Organising Committee, 1st Joint Specialist Conference, Malaysia 2018, I would like to welcome you to this special conference in Kuala Lumpur.

This is the first ever conference conducted combining majority of the dental specialty associations in Malaysia, namely College of Dental Specialists (CODS), Academy of Medicine Malaysia; Malaysian Association of Oral and Maxillo-facial Surgery (MAOMS); Malaysian Association of Dental Public Health Specialists (MADPHS); Malaysian Association of Paediatric Dentistry (MAPD); Malaysian Association for Oro-Facial Diseases (MAOFD) and Malaysian Society of Periodontology (MSP). It is a must attend event for all specialists, be it Malaysians or those from this region of South East Asia.

The theme of this conference is "DENTAL SPECIALTIES: TOGETHER TOWARDS A SUCCESSFUL TOMORROW", meant for all specialties and will cover the main topics of pain, hypodontia and implant, and dental public health and research. The organizing committee has worked hard for the past months to assemble speakers from all over so as to give a good insight into the latest aspects of the topic chosen. So, make sure you do not miss this event.

It is also hope that this platform and event will be a start for more future cooperation and collaboration between the dental specialties in pushing dentistry to greater heights.

As for our foreign delegates, welcome to this vibrant city of Kuala Lumpur, Malaysia. Do explore beautiful Malaysia while you are here.

On behalf of the organizing committee, I would like to thank you all for your support and hope you will benefit and enjoy the lectures and environment.
